

## God our Shield, our Rock

Deuteronomy 32:4 gives us such comfort today as we look to You, O God, showing Your greatness in a special way: "The Rock! His work is perfect, For all His ways are just; A God of faithfulness and without injustice, Righteous and upright is He." We know that we can run to You and any weapon formed against us will hit our Rock, the God of our salvation and will definitely not prosper as Isaiah 54:17 reassures us, no weapon that is formed against us shall prosper. We seize Your promises by faith and move carefully as You guide us through life twists and turns. We are just so excited again to trust in Your faithfulness and know that You will always come through in all things. We certainly rest by faith in Your arms and live by faith in victory through Jesus
